SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

Thank you for your interest in Pharma Plus (PDP). Our plan is offered by FIRST MEDICAL HEALTH PLAN, INC/First Medical Health Plan, Inc., a Medicare Prescription Drug Plan that contracts with the Federal government. This Summary of Benefits tells you some features of our plan. It doesn't list every drug we cover, every limitation, or exclusion. To get a complete list of our benefits, please call Pharma Plus (PDP) and ask for the "Evidence of Coverage".

YOU HAVE CHOICES IN YOUR MEDICARE PRESCRIPTION DRUG COVERAGE

As a Medicare beneficiary, you can choose from different Medicare prescription drug coverage options. One option is to get prescription drug coverage through a Medicare Prescription Drug Plan, like Pharma Plus (PDP). Another option is to get your prescription drug coverage through a Medicare Advantage Plan that offers prescription drug coverage. You make the choice.

HOW CAN I COMPARE MY OPTIONS?

The charts in this booklet list some important drug benefits. You can use this Summary of Benefits to compare the benefits offered by Pharma Plus (PDP) to the benefits offered by other Medicare Prescription Drug Plans or Medicare Advantage Plans with prescription drug coverage.

WHERE IS PHARMA PLUS (PDP) AVAILABLE?

The service area for this plan includes: Puerto Rico. You must live in one of these areas to join this plan.

WHO IS ELIGIBLE TO JOIN?

You can join this plan if you are entitled to Medicare Part A and/or enrolled in Medicare Part B and live in the service area.

If you are enrolled in an MA coordinated care (HMO or PPO) plan or an MA PFFS plan that includes Medicare prescription drugs, you may not enroll in a PDP unless you disenroll from the HMO, PPO or MA PFFS plan.

Enrollees in a private fee-for-service plan (PFFS) that does not provide Medicare prescription drug coverage, or an MA Medical Savings Account (MSA) plan may enroll in a PDP. Enrollees in an 1876 Cost plan may enroll in a PDP.

DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?

Pharma Plus (PDP) does not cover drugs that are covered under Medicare Part B as prescribed and dispensed. Generally, we only cover drugs, vaccines, biological products and medical supplies that are covered under the Medicare Prescription Drug Benefit (Part D) and that are on our formulary.

WHERE CAN I GET MY PRESCRIPTIONS?

Pharma Plus (PDP) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We will not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for a Pharmacy Directory or visit us at <http://www.firstpluspr.com>. Our customer service number is listed at the end of this introduction.

WHAT IS A PRESCRIPTION DRUG FORMULARY?

Pharma Plus (PDP) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at <http://www.firstpluspr.com>.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

WHAT SHOULD I DO IF I HAVE OTHER INSURANCE IN ADDITION TO MEDICARE?

If you have a Medigap (Medicare Supplement) policy that includes prescription drug coverage, you must contact your Medigap Issuer to let them know that you have joined a Medicare Prescription Drug Plan. If you decide to keep your current Medigap supplement policy, your Medigap Issuer will remove the prescription drug coverage portion of your policy. This will occur as of the effective date of your coverage in the Medicare Prescription Drug Plan. Your Issuer will adjust your premium. Call your Medigap Issuer for details.

If you or your spouse has, or is able to get, employer group coverage, you should talk to your employer to find out how your benefits will be affected if you join Pharma Plus (PDP). Get this information before you decide to enroll in this plan.

HOW CAN I GET EXTRA HELP WITH MY PRESCRIPTION DRUG PLAN COSTS?

If you qualify for extra help with your Medicare prescription drug plan costs, your premium and costs at the pharmacy will be lower. When you join Pharma Plus (PDP), Medicare will tell us how much extra help you are getting. Then we will let you know the amount you will pay. If you are not getting this extra help you can see if you qualify by calling 1-800-MEDICARE (1-800-633-4227). TTY/TTD users should call 1-877-486-2048.

WHAT ARE MY PROTECTIONS IN THIS PLAN?

All Medicare Prescription Drug Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Prescription Drug Plan leaves the program, you will not lose Medicare prescription drug coverage. If a plan decides not to continue, it must send you a letter at least 60 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of PBP_001_Pharma Plus (PDP), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. In Puerto Rico QIO is known as QIPRO and the telephone numbers are 1-800-981-5062 or 1-787-641-1240.

WHAT IS A MEDICATION THERAPY MANAGEMENT (MTM) PROGRAM?

Some drugs have quantity limits.

Your provider must get prior authorization from Pharma Plus (PDP) for certain drugs.

You must go to certain pharmacies for a very limited number of drugs, due to special handling, provider coordination, or patient education requirements for these drugs that cannot be met by most pharmacies in your network. These drugs are listed on the plan's website, formulary, and printed materials, as well as on the Medicare Prescription Drug Plan Finder on Medicare.gov.

If the actual cost of a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Plan drugs may be covered in special circumstances, for instance, illness while traveling outside of the plan's service area where there is no network pharmacy. You may have to pay more than your normal cost-sharing amount if you get your drugs at an out-of-network pharmacy. In addition, you will likely have to pay the pharmacy's full charge for the drug and submit documentation to receive reimbursement from Pharma Plus (PDP).
